# A Word From Our CEO

Hedwig House receives funding from a variety of sources. This funding has kept our services available and free to all since the agency was founded in 1975 by Patricia Kind, Lois Jahsmann, and Naomi Dank. Last May, however, we learned that we would lose 1.3M in funding. This loss represents over 60% of our annual budget and makes this year's Spotlight event more critical than ever. Every dollar raised tonight goes toward supporting the service we provide.

I thank you for being here tonight, and for your generous support of our mission. It is our hope that we will be able to continue to serve adults with mental illness for years to come.
